

2002™

RESTORER

The 2002 Difference

2002 is a water-based polymer protectant and restorer designed to restore, protect, and beautify vinyl, leather, rubber, plastic, wood, and painted items.

2002 makes surfaces antistatic to help repel dust and dirt and guard against oxygen, ozone and the sun's ultraviolet rays that will crack, dull, harden, and rot material. No wax, polish, or cover-up offers an improved appearance and protection like **2002**.

2002 can also be used in schools, commercial buildings, industrial plants, offices and institutions.

Available Packaging

2002 HELPS RESTORE THE APPEARANCE OF:

- Furniture
- Vinyl tops
- Seats
- Sporting goods
- Tires
- Dashboards
- Hoses
- Cabinets

FEATURES:

- Restores and renews
- Water-based
- Economical
- Non-corrosive
- Easy-to-use
- Excellent gloss
- Does not crack
- Non-flammable
- Antistatic
- Lasting protection
- Odorless
- Endless uses

DIRECTIONS FOR USE

Clean articles thoroughly. Spray or spread **2002** on a clean, dry surface. Allow product to penetrate thoroughly for lasting protection, then buff off excess. Repeat again for maximum protection. Use as often as needed.

CAUTION: Over spraying onto floor will cause a slip hazard. Not recommended for floors or fabric.

TECHNICAL SPECIFICATIONS

pH	5.0 ± 0.5
Specific Gravity	1.00
Weight/Gallon	8.37 lbs
Stability	Excellent
Color	Milk – White Opaque Emulsion
Fragrance	Mild, No Fragrance Added
