

Smart Cart™

Smart Cart™ Mobile Cleaning/Foaming Cart

The Smart Cart is a lightweight, plastic cart that holds 5 gallons of product with 2 dilution rates: 2 oz. per gallon for general cleaning and 8 oz. per gallon for heavy cleaning with Buckeye Terminator (tips and chart included for adjustable dilution rates).

This easy-to-use system has foam and rinse settings, and can extend to 35 feet from its water source. Its stainless steel enclosure keeps product dry and eliminates rust. Foaming wand is included, and a cleaning brush is also available.

FEATURES	ADVANTAGES	BENEFITS
Rotationally molded plastic	Indestructible	Saves repair costs
Plastic wheels	No wheel/black marks	Saves time/clean-up
Stainless steel enclosure	Keeps product dry/no rust	Saves product cost
Two dilutions	Quick change for heavy/light cleaning	Saves time
10 ft. connection hose	Easier to connect in small closets	Saves time
25 ft. discharge hose	Covers extended cleaning area	Saves time
Foam & rinse settings	No need to disconnect	Saves labor time
Clips for squeegee	Portable	Saves labor time
More volume	Easier cleaning of large areas	Saves time/less product change outs

Why use a Smart Cart?

- It covers large areas quickly—showers, locker rooms, and industrial applications
- More portable—wheels into place
- Higher volume
- Durable
- Easy water connections
- Easy chemical connections
- No electricity required
- Quick change—easy product dilution change
- Heavy-duty
- May reduce labor cost by 50% or more
- Turns a big cleaning challenge into an easy task
- Reduces heavy lifting
